Circolo Numismatico Napolitano
Naples, Italy

Gentlemen:

The American Numismatic Society is issuing a series of publications entitled "Numismatic Notes and Monographs", one of which appears, approximately, every month. We should be glad to know if you would be willing to exchange the Circolo Numismatico Napolitano with our publication. If so, we would take pleasure in forwarding our issues as regularly as they appear.

In March, we addressed to you two monographs by Mr. Edward T. Newell, our President, which we trust reached you; and we should be glad to see that you receive copies of all those which have already been published if you desire to make the exchange mentioned above.

Trusting that this arrangement may meet with your approval, I am

Very truly yours,

Secretary

SPR/E
